# Handouts

The image shows a screenshot of a Zoom application window titled "Handouts - 4". The window has a dark blue sidebar on the left with several icons: a blue snowflake icon at the top, a red microphone icon with a slash, a question mark icon, a speech bubble icon, a document icon, a red circle icon, an information icon, and a keyboard icon. At the bottom of the sidebar is the word "Exit". The main content area of the window is light gray and contains three PDF document thumbnails, each with a red background and a white Adobe logo. The thumbnails are labeled "Sample Certificates + CEUs", "Slides", and "Handouts". A close button (X) is visible in the top right corner of the window.

# Anatomy of our Certificate+CEUs

# Registry uploads?

Due to the volume and frequency of the webinars\recordings, + the number of registries in the US and Canada, ECIW is unable to upload data to registries

**Two staff members, not enough funding!**

Our certificates will continue to be accepted in many states that do not require uploads.
